

Conference Location

University of Nevada, Reno
William Raggio Building
Room 2003

From 1-80:

1. Take Virginia street exit
2. Head North on Virginia
3. Before the stop light by the Lawlor Event center you will take the last right before the stop light into the Brian Wallen Parking Complex
4. Use the stairs by the elevator to the first floor
5. William Raggio building is on the other side of the road visible at the bottom of the stairs.
6. Head up the stairs outside and go in the first door to your right

OBJECTIVES:

Participants will learn:

- The key assumptions underlying play therapy
- Disorders which can be treated through play therapy
- The basic toys contained in a well-equipped playroom and their uses
- The purpose of the different states in the play therapy process
- Play themes that children use to express their emotional status

Refund Policy

Please notify NVAPT by May 1st, 2007, to receive a refund. \$20.00 of the registration fee is non-refundable. Requests received between May 1st and 4th will receive a refund of 50% of the registration fee. Regretfully, we are unable to make any refunds after May 5th, 2007. Thank you.
